

DR. GARETH HO (SPECIALIST ORTHODONTIST)

BDS, MDSc(Orth), MDSc, FRACDS, MRACDS(Orth), MRACDS(Paed)

Dr. Gareth Ho gained his Bachelor of Dental Surgery (BDS) degree from Hong Kong University in 1989. After completing his Master of Dental Science in Paediatric Dentistry in Melbourne, he obtained further clinical training as the Senior Registrar in Royal Children Hospital in Melbourne in 1992. He obtained his second specialist qualification MDSc(Orthodontics) at the University of Sydney in 1999.

Between 2000 and 2012, Dr. Ho has worked concurrently at both public and private practices, including eight years in Aboriginal Medical Services; five years at the United Dental Hospital; ten years at HCF Chatswood Dental Centre; he also travelled to Box Hill, Victoria for over 10 years to provide orthodontic assessment and treatment to local Chinese Community. Since 2001, Dr. Ho has been practising in his private orthodontic surgery in Burwood, NSW. In 2007, Dr. Ho established The Australian Centre for Adult Orthodontics and Orthopaedics (ACA00) in CBD, Sydney, where he is the Principal Orthodontist. The centre provides orthodontic services exclusively to adults and dedicates to provide treatment in adult malocclusion and related conditions focusing on facial harmony. In his Burwood surgery, Dr. Ho continue to provide free orthodontic assessment for children under 8 years old. He also provides free orthodontic treatment to public patients through Give-A-Smile program run by ASO. Dr. Ho also assists disadvantaged families (Health Care Card Holder) by offering orthodontic treatment with special discount.

Dr. Ho has taught at several institutions, including the University of Hong Kong (1993-1994), the Westmead College of Dental Therapist and the Westmead Dental Hospital (1994-1997); Department of Paediatric Dentistry, Westmead Dental Clinical School, NSW (1995-1996); the United Dental Hospital (currently as Sydney Dental Hospital) from 1997 to 1999; and the Westmead Dental Hospital (1999-2003).
